

## WEBINAR

### USDA GRANT INFORMATION FOR VALUE ADDED PRODUCER GRANTS AND ENERGY PROGRAMS

March 24, 2009

Traci Smith, Business Program Director at the Michigan office of USDA Rural Development, and Bobbie Morrison, Business Specialist at the same office, presented information about the Value Added Producer Grant Program and the USDA energy grants and loans programs. Background information about grant writing and value added product concepts was presented by Tom Kalchik of the Michigan State University Product Center.

The recorded webinar can be viewed at <http://breeze.msu.edu/p28856425/>. To view the webinar, sign in using your NetID and password. If you do not have a NetID and password, use "guest" (without the quotation marks) as your NetID and leave the Password field empty. You may have to set your browser to accept pop-ups from this address. NOTE: If you link directly to the webinar from this page and you get a message that you cannot log in, try copying the link, then pasting it in the address window near the top of your browser.
